

BALTHAYOCK HERD SIRES 2012

BALTHAYOCK ADONIS Balmyle Thunderbird X Balthayock Peach

TI = 83 SRI = 78

With sons sold to 13,000gns the quality of his offspring and his well proven easy calving EBVs make him an outstanding herd sire

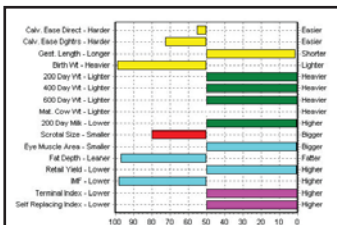

SWALESMOOR CRACKER Goldies Uppermost X Bleack Viola

TI = 93 SRI = 84

The highest rated bull in the national herd. Although he is slightly negative for calving ease, we have used him successfully on heifers. His sons are outstanding with very impressive DLWGs

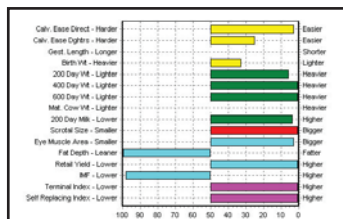

BALTHAYOCK EAGLE Balthayock Adonis X Balthayock Atalanta

TI = 73 SRI = 74

Sold at Stirling in February for 13,000gns with a quarter share retained. A huge son of Adonis with excellent EBV's for calving direct and for daughters.

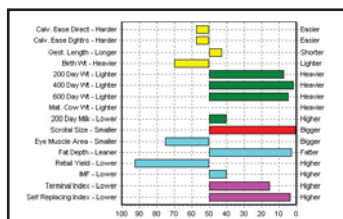

UGIE ECHO Goldies Banker X Ugie Ada

TI = 42 SRI = 49

Reserve Junior Champion at Stirling in Oct 2010. Bought in partnership with Jim Muirhead of Firhills because of excellent feet and big scrotal circumference

OTHER HERD SIRES TO BE USED IN 2012:

Balbithan Vespasian TI = 68 SRI = 68 Although now dead we will continue to use him through AI. He has sired bulls to 22,000gns and has exceeded all our expectations as a herd sire. His sons have very calm temperaments and his daughters are breeding exceptionally well

Dingle Hofmeister TI=62 SRI=66 The most successful herd sire of his generation.

Limited semen is available, see the Balthayock website

Bowerhouses Topper One of the great old timers and sire of many champions. Semen Available.

To order semen see our website
