

COCKERINGTON CHAROLAIS

POLL Bull **AV NYNAS CARLSON**, was purchased from Anders Wiklert in Sweden in 2008, and has proved to be a truly outstanding sire.

He is exceptionally easy calving

His temperament is so good that it would be hard to find an animal with a better disposition.

Good natured animals have always been a cornerstone of breeding of the Cockerington Herd, but Carlson's progeny take it to a new level.

Carlson will be joined in 2012 by another Swedish POLL bull - **AV ASKOME FAMOUS** - from the herd of Lennart and Frederik Nilsson. He will be used over Carlson daughters to produce 3/4 bred Swedish POLL Charolais.

Carlson has bred some outstanding bulls and heifers that we will be offering for sale on the farm in Spring 2012.
