

ELGIN CHAROLAIS

Balmyle Bollinger

Bollinger was purchased for 30,000gns Perth Oct 07 in partnership with Inverlochty, Bonerbo and Braehead herds.

He has grown into a tremendous animal and has excellent breed plan figures to match.

Semen available at £20/straw plus VAT with £30 royalty fee

Other Sires used in the herd

Rumsden Samurai

Allanfauld Vagabond son. Samurai sons sold to 9,500gns. Daughters have been shown successfully including a Perth Champion 07 and are proving to be tremendous cows. Semen available £25/straw plus VAT no royalty

Gower Versace

Bought in partnership with Inverlochty his first crop of calves dominated junior classes at both the Highland and National Shows. His daughters are exceptional

Harestone Tyrol

Imported in partnership with Harestone, Allanfauld and Corrie. His progeny are looking to be very exciting. Pictured above are his first four Elgin bull calves at 11 months old

Harestone Uruguy

One of the few sires that combines calving ease with tremendous muscle
